YOUR PARTNER FOR DIGITALIZING CULTURE

Founded in Vienna in 2014, Cultural Places (CP) creates synergies between the cultural and tourism industries and their target groups around the world.

CULTURAL PLACES PLATFORM

CP provides digital solutions for arts and cultural tourism, as well as high quality contents for cultural travel lovers around the world. No matter onsite or online, users can view cultural contents and use the media guides to explore cultural sites at their own pace.

SERVICES

CP helps cities, arts and cultural tourism sectors with digital transformation and audience development. This is especially important during the COVID-19 pandemic. With expertise in content creation and digital marketing, CP helps clients to connect with their target groups.

MEDIA GUIDES - with ticketing and voucher system

Cultural Places has produced over 120 media guides for 40 cities around the world! Cities and cultural sites can tell their special stories through CP's media guides. The in-built ticketing and voucher system also provides an additional sales and promotion channel.
